To whom it may concern:

My name is Ronald Robbins; I have known Jeffrey Wayne Todd for over fifteen years. In 2008, I was a border at his house for ten months at 5431 Fulton Ave, Los Angeles, CA 91401. I witnessed Jeffrey; interact with his son and daughters on a regular basis. Jeffrey setup a daily routine of enrichment activities consisting of; educational lesson plan, swimming in the backyard, and basketball at the park. This was affectionately called "Camp Todd". I continued to be friends with Jeffrey and his children to this day and consistently witness his great relationship with them. This past summer, 2012, I witnessed Jeffrey and his son and daughters at Santa Monica Beach for swimming and live music. We had a picnic together on the beach and a good time was had by all.

As a mentor to fatherless children, Open Choices II @ Robbinshood (Robbinshood), a 501(c) (3) non-profit organization, adopted the "Camp Todd" philosophy. Since 2009, Robbinshood has had a summer camp called "the Village" based on Jeffrey's interaction with his children. These interactions were structured, positive, and educational. Jeffrey is very loving and affectionate with his children.

Witnessing, Ben, Kennedy, and Taylor grow up has been a tremendous help to me. Watching, through years, the personalities of his children grow through the hands on approach of teaching and training from Jeffrey has helped me as a mentor, friend, and father.

Sincerely,

Ronald Robbins
